#### BACKGROUND

The Texas Board of Pardons and Paroles has exclusive authority to determine paroles and to investigate and supervise persons released on parole. The intent of the Legislature in establishing the board was to aid all prisoners to readjust to society upon completion of their period of incarceration. With the pressures of the prison overcrowding crisis, the Board of Pardons and Paroles has experienced an increase in the number of supervised parolees and prisoners eligible for parole. Currently, the board is comprised of six members appointed by the governor with the advice and consent of the Senate. The board makes the determination of which prisoners shall be paroled. In addition, the six member board oversees the administrative functions of the agency, its personnel and policies. It has become increasingly difficult for the chairman and the other board members to execute their administrative responsibilities and also determine paroles.

### **PURPOSE**

H.B. 1168 would create a three member appointed administrative panel to organize the operations of the Board of Pardons and Parole and to handle all administrative functions currently performed by the six member board.

#### RULEMAKING AUTHORITY

It is the Committee's opinion that H.B. 1168 would delegate rulemaking authority to the new administrative panel of the Board of Pardons and Paroles as established in this Act.

### SECTION-BY-SECTION ANALYSIS

SECTION 1. Amends Article 42.18, Code of Criminal Procedure, by adding Section 2A which provides for the following:

- (a) The creation of an administrative panel.
- (b) The governor must appoint a three member panel for sixyear staggered terms. The appointments must be approved by the senate.
- (c) The prospective appointees must meet the eligibility requirements of Sections 2 and 3A of this article which apply to eligibility for board members.
- (d) The grounds for removal and for filling a vacancy are the same as those for the board under Section 3 of this article.
- (e) The administrative panel is entitled to per diem but no regular compensation.

- The governor shall designate the chairman of the panel (f) every two years.
- The panel must meet quarterly on fixed dates and may hold special meetings if necessary.
- The panel will be responsible for the following:
  - The organization of the agency and its operations; (1)
  - the adoption of rules necessary to accomplish the agency's work and the responsibilities of the board and the agency's staff;

  - (3) the hiring of an executive director;(4) the duties of the board other than those related to the determination of prisoners on parole.
- (i) The panel is entitled to information from the board or the staff if the information is necessary for them to exe-cute their responsibilities. The panel, however, may not influence the board or the parole commissioner regarding the parole of a prisoner.
- The executive director is responsible for daily operations and reports directly to the chairman of the administrative panel.
- SECTION 2. Amends Section 3A, Article 42.18, Code of Criminal Procedures, by adding Subsection (t) which requires executive director to establish training programs for the board, the parole commissioners, parole officers and other employees of the agency who may play a role in the release or parole of a person. The executive director must prepare a report detailing the program and file it each year with the governor, lieutenant governor and speaker.
- SECTION 3. Repeals Sections 5(f) and (g) of Article 42.18, Code of Criminal Procedures.
- SECTION 4. (a) The initial members shall be appointed in a manner prescribed by Section 2A as added by this Act.
- The terms for the initial members are: One member's term shall expire January 31, 1991; one term will expire January 31, 1993, and the other member's term will expire January 1, 1995. Subsequent terms shall be made for sixyears.
  - SECTION 5. Emergency clause. Effective upon passage.

## LEGISLATIVE BUDGET BOARD

Austin, Texas

## FISCAL NOTE March 8, 1989

TO: Honorable Allen R. Hightower, Chair Committee on Corrections House of Representatives Austin, Texas

In Re: House Bill No. 1126

By: Stiles

FROM: Jim Oliver, Director

.79

In response to your request for a Fiscal Note on House Bill No. 1126 (relating to the creation of the administrative panel to the Board of Pardons and Paroles, to the management and operations of the board, and to training programs for board members and certain board employees) this office has determined the following:

The bill would make no appropriation but could provide the legal basis for an appropriation of funds to implement the provisions of the bill.

The bill would create a 3-person administrative panel in the Board of Pardons and Paroles. The panel would be required to hold regular quarterly meetings and would be permitted to meet at other times as necessary. The panel would receive no compensation but would be reimbursed for their actual and necessary expenses. The cost of reimbursement for expenses is estimated to be \$14,400 in FY 1990 to provide for monthly meeting and \$4,800 per year thereafter.

The bill would also require the Executive Director of the Board of Pardons and Paroles to establish training programs for board members and agency employees who exercise discretion in the agency parole eligibility determination. One staff trainer position would be added to perform this function.

The probable cost of implementing the provisions of the bill during each of the first five years following passage is estimated as follows:

Fiscal Year	Probable Cost Out of the General Revenue Fund	Change in Number of State Employees from FY 1989
1000	\$66,292	+1
1990		+1
1991	46,667	<del>-</del>
1992	46,667	+1
		+1
1993	46,667	_
1994	46,667	+1

Similar annual costs would continue as long as the provisions of the bill are in effect.

No fiscal implication to units of local government is anticipated.

## LEGISLATIVE BUDGET BOARD

## FISCAL NOTE March 8, 1989

Honorable Allen R. Hightower, Chair TO: Committee on Corrections House of Representatives

In Re: House Bill No. 1126

By: Stiles

FROM: Jim Oliver, Director

In response to your request for a Fiscal Note on House Bill No. 1126 (relating to the creation of the administrative panel to the Board of Pardons and Paroles, to the management and operations of the board, and to training programs for board members and certain board employees) this office has determined the following:

The bill would make no appropriation but could provide the legal basis for an appropriation of funds to implement the provisions of the bill.

The bill would create a 3-person administrative panel in the Board of Pardons and Paroles. The panel would be required to hold regular quarterly meetings and would be permitted to meet at other times as necessary. The panel would receive no compensation but would be reimbursed for their actual and necessary expenses. The cost of reimbursement for expenses is estimated to be \$14,400 in FY 1990 to provide for monthly meeting and \$4,800 per year thereafter.

The bill would also require the Executive Director of the Board of Pardons and Paroles to establish training programs for board members and agency employees who exercise discretion in the agency parole eligibility determination. One staff trainer position would be added to perform this function.

The probable cost of implementing the provisions of the bill during each of the first five years following passage is estimated as follows:

Fiscal Year	Probable Cost Out of the General Revenue Fund	Change in Number of State Employees from FY 1989
1000	\$66,292	+1
1990		+1
1991	46,667	<del>-</del>
1992	46,667	+1
		+1
1993	46,667	+1
1994	46,667	+1

Similar annual costs would continue as long as the provisions of the bill are in effect.

No fiscal implication to units of local government is anticipated.
